List #391NS

One level living! This well taken care of 2 bedroom 1 bath home was gutted and remodeled in 2012. The interior living has been all updated and the exterior has insulation, siding, shingles and windows. The basement is a utility area with updated furnace, water heater and shelving. The basement would make a great space for your extra storage needs. The yard is landscaped with several shade trees around. Alley access to older garage and backyard. The backyard is large enough to build a big garage and or shop if desired. This home is move in ready!

- Refrigerator, stove, dishwasher, microwave, window treatments and piano
- Original hardwood floor in kitchen and bedroom #2
- Utility basement with room for extra storage needs
- Garden area
- Carport
- Partial fenced yard
